**Suggestions from clubs for what to do in the ICC Meeting:**

1. Getting to know one club each week
2. Spring dance
3. More bonding events among clubs
4. Open Forum to talk about ICC stuff
5. How to request/earn/spend money at the beginning of the quarter

### **Special Suggestions:**

1. Recently there has been a feeling a lack of communication/engagement between clubs and ICC. Due to this, it almost feels like that we as clubs are not having our grievances heard out and our ideas being pushed aside. The purpose of ICC meetings has mainly been at a means to release information rather than a conversation between clubs and ICC.
2. The club need to be notified for probation, then the clubs should get their own email.
3. Spring Dance
4. I think it is not really crucial to have ICC meeting every week. Maybe once 2 weeks is good.
5. Be prepared for meetings to begin and end on time. Also change the sitting arrangements and provide free snacks.
6. Meetings not every week
7. Can we make ICC meeting twice a week?
8. Get organized
9. Not make ICC Club meeting every week and let/make it more flexible to send other than ICC rep to ICC meeting
10. Spending more time on the activities that college allows clubs to do
11. Perfect attendance awards should be divided among all clubs with perfect attendance rather than via drawing
12. Online event calendar with link to contact club sponsoring event-so students can sign-up to volunteer/attend other events outside of icc meetings (some people cannot make Wed @1:30pm)
13. Specify info about events
