

**College Planning- Accreditation Steering Committee**

- The subcommittee has completed a full draft of the Quality Focus Essay. College Planning is reviewing the draft.

**District Committees:**Academic & Professional Matters (3/3)

- BP5300 Student Equity approved by members
- Discussed ideas for the District Opening Day theme and workshops

Chancellor's Advisory Committee (3/3)

- The ETAC recommendation on information security training for faculty, staff, and administrators was approved
- A Governor's budget update was provided
  - Focused on leveling off of new revenues coming to the community college system
  - Recommendation that the colleges focus on preparing for leaner economic times, while maximizing student outcomes with the additional funding received over the past few years
  - No base funding (which is what we need the most)
  - 1.48% COLA increase for DSPS, EOP&S and CalWorks
- 1st read of the AP5300 Student Equity
- Highlighted the work of Isaiah Nengo, Turkana Basin Fieldwork & project with students

Combined Human Resources Advisory Committee/District Equity Advisory Committees (HRAC/DDEAC) 2/23/17

- Report on the equity presentation to the Chancellor's Cabinet and the feedback received

**Special Committee:**

## Faculty Association/Academic Senate Liaison Meeting (3/3)

- Reviewed negotiation over Article 16, Leaves (see FA NEWS 2/27 Negotiations Update )
- Need to request data on full time faculty 3-year evaluation cycle
- Enrollment management issues and the need for a district enrollment management plan
- Proposed administrative position at De Anza for the Office of Equity was discussed
- Need to address the issuance of classroom fob/keys on a timely manner and follow-up with administrator
