To: Pippa Gibson <gibsonpippa@fhda.edu>; Pam Grey <greypam@fhda.edu>

Good morning-

Thank you for scheduling me to share the midterm report with APBT at their next meeting, however, I teach from 1:30-3:20 on TR so will not be able to make the meeting.

Could you please share the following information with your group on my behalf:

Accrediting Commission for Community and Junior Colleges (ACCJC) Midterm Report

As part of the seven-year accreditation cycle, De Anza will be submitting a Midterm Report in October 2021 to the ACCJC which provides an update on our accreditation process since our site visit in Fall 2017. The Midterm Report was developed within the shared governance process, overseen by the College Planning Committee, and is now being shared for final review. The item will go to College Council for approval on June 10. The report can be found here: _

[DRAFT-FOR-REVIEW-ACCJC-MIDTERM-2021-05-06.pdf](#)

The report is broken out into key areas:

1. Plans arising from self-evaluation process – which are 6 areas which we identified for improvement in our self-evaluation report in 2017.
2. Responses to 2 recommendations for improvement from ACCJC in 2017 – we report our progress on these two areas related to budget practices in light of declining enrollments.
3. Reflections on our student learning outcomes process and progress on our institutional metrics
4. Reflections on our two focus projects from the self-evaluation report from 2017 in the areas of equity and communication around the planning and budget process
5. Fiscal report from the 2019-20 academic year

Please let Mallory Newell know any feedback you may have by June 1.

Thanks!

Mallory
