ACADEMIC INTEGRITY / TURN-IT-IN

<http://www.deanza.edu/studenthandbook/academic-integrity.html>

All information in the Student Handbook applies to this online course, especially the section on Plagiarism. Plagiarism is knowingly using information attributed to someone else and passing it as your own. This course uses **Turn-it-in** to verify originality of student work. **Turn-it-in** is incorporated into Canvas and no other logon or password is required. If a student is found to have plagiarized information on an assignment, they will receive an 'F' on that assignment. The student may also face administrative consequences such as probation.

ARTIFICIAL INTELLIGENCE TOOLS (AI)

Students may use AI tools when indicated on an assignment. AI tools include but are not limited to translation tools, grammar tools, paraphrasers and generative language tools such as Chatgpt. AI tools offer suggestions and drafts *but are not a substitute* for comprehending concepts as well as critical thinking. The student is responsible for the content and accuracy of the assignment and any sources used on assignments. Students must cite any AI-generated material that informed their work by listing the tool(s) and its use under a Works Cited section of the assignment. Failure to give credit to ideas, sentences or paragraphs not the student's work is plagiarism. I may ask for a student's notes or a draft if an assignment shows 50% or higher AI generated. A document which is 100% AI generated is considered plagiarized. Turn-it-in also checks for the use of AI generated material.

DISRUPTIVE BEHAVIOR <http://www.deanza.edu/studenthandbook/academic-integrity.html>

The college will enforce all policies and procedures set forth in the *Standards of Student Conduct* (see college catalog). Any student disrupting the course will be contacted by the instructor, and depending on the severity reported to the De Anza College Maxient for resolution. A basic definition of a

disruptive person is one, who through his/her behavior, speech or actions, interferes with academic activity.

ONLINE ETIQUETTE

Understanding the speaker whether instructor or classmate without visual and auditory clues from the person is often a challenge in the online classroom. The guidelines below provide some basic rules about communication in an online format to avoid this challenge. In addition to these basics, please remember that this is an academic course with a far wider reach than a face-to-face classroom. It is not the same as communicating with friends via social media, nor is it equivalent to sending text messages to friends or colleagues.

These guidelines below will help you reduce online miscommunications in this course.

Be Professional. Your coursework is more than learning facts; you are preparing for a career. You are learning to interact with your fellow course participants as you would in your future professional life. Your conduct in this course should reflect this and your communication should follow standard rules for grammar and spelling and be clear, concise and intelligent. Avoid personal attacks and offensive language.

Have Opinions. Everyone is entitled to have an opinion. In discussion forums, everyone is encouraged to share them.

Respect Disagreement. People have the right to disagree with you. However, disagreement should never be personal. Online discussions are a means to share ideas and practice the skill of persuasion. Persuasive speech cannot be achieved with hurtful, hateful or inappropriate language. Review your posts before you publish and reread them for unintended meanings.

Ask Questions. Cultural influences can influence communication in terms of phrasing and word choice. The lack of visual and auditory clues may affect meaning, as well. Before jumping to conclusions, ask for clarification.

Be Forgiving. For the majority of participants, online communication is straight forward. Sometimes unintended meanings are conveyed.

Talk to Your Art Teacher who is really a very nice person

I want you to succeed in this course and I am here to help you succeed, offer advice, develop study strategies, but you must contact me. Email is the best way to contact me (becerrillinda@fhda.edu)
